Term expires August 2006

Lamprey Regional Solid Waste Cooperative
Joseph B. Moriarty, Representative

Oyster River Cooperative School District
Karen Larson, Board Member

RECORD OF TOWN MEETING

March 9, 2004

The Annual Town Meeting of the Town of Madbury, County of Strafford, and the State of New Hampshire, was called to order at 11:00 AM by Moderator Donald W. Melvin. The polls were declared open and the following Ballot Clerks were sworn in by the Moderator:

Diane Hodgson	Mary Ellen Duffy	Carleton Wentworth
	Gail Houghton	

Moderator Melvin called the evening session of the Meeting to order at 7:00 PM. He announced that the polls which opened at 11:00 AM for the purpose of voting by ballot on Articles 1 and 2 of the Town Meeting Warrant as well as voting on all Articles on the Oyster River Cooperative School District Ballot would close at 8:00 PM unless extended by vote of the Town Meeting.

The moderator asked the assembled citizens (approximately 115) to stand for a moment of silence for those Madbury people who died during the year 2003 and to remain standing for the Pledge of Allegiance led by Town Clerk Pamela Seaver.

The deceased townspeople include: Harold Taylor, Elliott H. Felker, Elizabeth J. Hall, Anita L. Stewart and Nicholas G. Frid.

Moderator Melvin welcomed a group of residents of the Republic of Belarus (formerly part of the Soviet Union) who were visiting New Hampshire as part of this year's Partnership for Peace Program. Organizers chose Madbury as a good place to experience local democracy in action. They were accompanied by U.S. Ambassador George Bruno and a few interpreters.

ARTICLE 1. The following Town Officers were elected by Official Ballot:

Moderator for the ensuing two years.....	Donald W. Melvin
Selectman for the ensuing three years	Joan H. Sundberg
Treasurer for the ensuing one year	Deborah M.F. Ahlstrom
Town Clerk-Tax Collector for the ensuing three years	Pamela A. Seaver
Trustee of Trust Funds for the ensuing three years	Emily Hart
Auditors for the ensuing one year	Elaine C. Sylvester
	Elizabeth Nanda
Cemetery Trustee for the ensuing three years	Alfred E. Grimes
Supervisor of the Checklist for the ensuing six years	Kathleen O'Shea
Supervisor of the Checklist for the ensuing two years ...	Mary Ellen Reisch
Library Trustee for the ensuing three years	Margaret B. Wolcott

(Sample ballot on file)

ARTICLE 2 Voted by Official Ballot to amend the Zoning Ordinances: Article III: Definitions, Section 15 regarding the definition of DWELLING as proposed by the Madbury Planning Board. Parts A, B and C added to the definition of DWELLING.

YES - 131 NO - 11

PASSED

(Sample ballot on file)

ARTICLE 3. Joan Sundberg moved and Joan Valentine seconded a motion to authorize the Selectmen to choose all other Town Officers. PASSED

ARTICLE 4. Bruce Hodsdon moved and Gray Cornwell seconded a motion to raise and appropriate the sum of Fifty Thousand Dollars (\$50,000.00) for the existing Capital Reserve Fund created in Article 9 at the 2000 Town Meeting for the purpose of Purchase of Property and/or Easements. Hodsdon explained that we currently have \$204,737.00 in this Capital Reserve Fund and that the Board of Selectmen feels setting aside such funds allows flexibility for the Town to negotiate acquisitions of land or easements on property deemed valuable for the Town. A few questions and comments, all supportive, were offered. The Moderator called for the vote. PASSED

ARTICLE 5. Craig Seaver moved and Joan Valentine seconded a motion to raise and appropriate the sum of Five Thousand Dollars (\$5,000.00) for the existing Capital Reserve Fund established in Article 9 at the 2002 Town Meeting for a Library Building Fund.

Library Trustee Seaver said that the library is currently operating very well in its new "home" at the former police department but that another building would be needed in the not-too-distant future. The Selectmen recommended this appropriation and included it in the proposed operating budget for 2004. There was no discussion. A vote was taken. PASSED

ARTICLE 6. Jay Moriarty moved and Gerald Mullaney seconded a motion to establish a Capital Reserve Fund under the provisions of RSA Chapter 35 for the purpose of a Town Hall Expansion Fund, and to raise and appropriate the sum of Fifty Thousand Dollars (\$50,000.00) toward this purpose, and to further authorize the Selectmen to act as agents to withdraw and expend from this Capital Reserve Fund.

Joan Sundberg explained that the purpose of this article was to start the planning for an expansion of the office areas in the Town Hall and a new small meeting room. The Selectmen hope to develop a plan during 2004, come to Town Meeting next year for the necessary funding and begin construction possibly by summer 2005. The Board felt that \$50,000.00 was a reasonable amount to start this whole project. A few questions and no debate followed. A vote was taken. PASSED

ARTICLE 7. Bruce Hodsdon moved and Peggy Wolcott seconded a motion to raise and appropriate the sum of Thirty Thousand Dollars (\$30,000.00) to purchase and equip a police cruiser.

Selectman Hodsdon explained that the Police Department currently has four vehicles: cruisers from 2003, 1997, and 1995, and a 1988 Blazer. The Blazer would be replaced by a newer 4WD vehicle which is not used as much as regular cruisers but needed in foul weather situations. Some questions followed concerning Madbury's actual police coverage. Chief George Taylor

explained that he currently has four part-time officers and is always looking for more. Many officers secure full time positions in other communities not long after training and working in Madbury part time. Chief Taylor also introduced Madbury's new Deputy Chief Jason Lamotagne. He is Madbury Police department's first full time employee. A vote was taken. PASSED

ARTICLE 8. Jay Moriarty moved and Janet Wall seconded a motion to adopt the proposed Budget as posted for the current year 2004. The posted amount was \$997,797.00 There was NO discussion. A vote was taken. PASSED

ARTICLE 9. Joan Sundberg moved and Roberta Stearns seconded a motion to increase the current Expanded War Service Exemption as provided in RSA 72:28 from \$100.00 to \$500.00 on residential property taxes for qualifying veterans.

Sundberg explained that the Board of Selectmen was in favor of increasing the Veteran's credit up to the maximum amount allowed by state law this year rather than gradually over a few years. No discussion. Unanimous vote taken. PASSED

ARTICLE 10. Joan Sundberg moved and Gerald Mullaney seconded a motion to increase the current Expanded Disability Exemption as provided in RSA 72:35 from \$1400.00 to \$2000.00 on residential property taxes for qualifying service-connected total-disabled veterans.

Sundberg offered the same explanation as for Article 9. Again a unanimous vote was taken. PASSED

ARTICLE 11. John Nachilly moved and Carol Loughlin seconded a motion to retain the unexpended portion of the 2004 Conservation Commission appropriation, said monies to be placed in the Madbury Conservation Fund.

Conservation Commission Chair Nachilly urged passage of this annual article which allows the Commission to add the unexpended portion of its annual budget to the Conservation Fund. The Fund currently has \$300,412.72. A vote followed a brief discussion. PASSED

ARTICLE 12. John Nachilly, Conservation Chair, and Commissioners Doreen Sterndale, Kathy Frid, Barbara Mauner, Eric Fiegenbaum and Anne Daugherty presented and highlighted their goals for Madbury, mainly protecting land and resources, and outlined the benefits of doing so. They announced a meeting they would be hosting at the Madbury Town Hall on Wednesday, March 24, 2004 for anyone interested in ways to protect their own land for the future. This presentation was appreciated and well received by the citizens.

Library Trustee Joan Valentine introduced Madbury's first Librarian, Kristin Cooper Rainey, and thanked all supporters and volunteers who helped to get the library up and running. She encouraged anyone who has not visited the library yet to do so soon.

Selectman Jay Moriarty gave a brief tribute to a recently deceased neighbor and well known and respected citizen of Madbury, Muriel Rogers. Ms. Rogers led a long (96 years) and very active life. She bought her house on Old Stage Rd. in 1952 and began living there full time in 1964 when she retired from a long career in education in Gloucester, MA. She served on Madbury's Board of Adjustment and as a Ballot Clerk at many elections.

ARTICLE 13. Community Club president Priscilla Polichronopoulos announced that this Thursday's Club meeting was on Russia Today with a featured speaker. She also reminded everyone that the annual roadside cleanup would be in April and folks could sign up now for an area and take a trash bag or two home with them tonight. Sunday, April 18th is the date for this year's Annual Town Potluck supper to be held at Moharimet School. Noreen Gaetjens of the Friends of the Madbury Library announced that the Friends group is combining a "Read Around Madbury" with the Potluck. She urged everyone to pick up a copy of *Frindl* at the Library so that all members of their family could read it and join the discussion of the book at the supper. There are many copies available.

Kitty Cornwell thanked all the volunteers and board members in town who help make Madbury a special community.

Moderator Melvin adjourned the meeting at 8:00 PM to count the ballots cast on Articles 1 and 2. The meeting was officially adjourned at 8:40 PM.

Pamela A. Seaver
Madbury Town Clerk

Then came before me, Donald W. Melvin, Joan H. Sundberg, Deborah M.F. Ahlstrom, Elaine C. Sylvester, Elizabeth Nanda, Emily Hart, Kathleen O'Shea, Mary Ellen Reisch, Alfred Grimes, and Margaret Wolcott and took their oaths of office as required by law. I, Pamela A. Seaver, took my oath of office before Moderator Donald W. Melvin.

Pamela A. Seaver
Madbury Town Clerk

Formally accepted by the Board of Selectmen on March 26, 2004

Joan H. Sundberg
Joesph B. Moriarty
Bruce E. Hodsdon

**WARRANT
FOR
TOWN MEETING**

**TOWN OF
MADBURY, NEW HAMPSHIRE**

MARCH 8, 2005

**WARRANT FOR TOWN MEETING
TOWN OF MADBURY, NEW HAMPSHIRE ~ MARCH 8, 2005**

To the inhabitants of the Town of Madbury, County of Strafford, and the State of New Hampshire qualified to vote in Town affairs:

You are hereby notified to meet at the Town Hall in said Madbury on Tuesday the eighth day of March, A.D. 2005 at 11:00 in the morning for the purpose of voting on Articles 1 and 2 and at 7:00 o'clock in the evening for action on Articles 3 through 14. The polls will open at 11:00 a.m. for the purpose of voting on Articles 1 and 2 and will close at 8:00 p.m. unless extended by vote of the meeting.

ARTICLE 1: To choose the following Town Officers: (Majority Vote required)
A Moderator for the ensuing year
A Selectman for the ensuing three years
A Treasurer for the ensuing year
Two auditors for the ensuing year
A Trustee of the Trust Funds for the ensuing three years
A Cemetery Trustee for the ensuing three years
A Library Trustee for the ensuing three years

ARTICLE 2: To Vote to amend the Building Regulations as proposed by the Planning Board. (Majority vote required)

AMENDMENT No. 1: To change ARTICLE IV to read:

SECTION 1: Calculation - The Selectmen shall maintain a fee schedule, which will be used to determine the amount to be charged for all costs relating to building permits.

SECTION 2: No change

SECTION 3: Delete

SECTION 4: No change and re-number as Section 3

SECTION 5: No change and re-number as Section 4

AMENDMENT No. 2: to change ARTICLE V, SECTION 1 - Requirements to read:

A. No change

B. All new building and reconstruction or alteration of existing buildings shall comply with NFPA 1 (New Hampshire State Fire Code), NFPA 101 (National Life Safety Code), and NFPA 70 (National Electric Code) as now printed or as may be amended.

C. All new building, reconstruction, or alteration of existing buildings shall comply with the New Hampshire State Building Code and IRC (International Residential Code) as now printed or as may be amended. This code shall not apply to construction under permit or completed prior to the adoption of these codes.

D, E, F, G, H, I, J, K, and L - Delete

- ARTICLE 3:** To choose all other Town Officers. (Majority Vote required)
- ARTICLE 4:** To authorize the Selectmen to expend Four Hundred Thousand Dollars (\$400,000.00) for the Purchase of the G&R Associates Property (Map 3-16), and to further authorize the Selectmen to withdraw Two Hundred Thousand dollars (\$200,000.00) from the Capital Reserve Fund established for this purpose, and to further authorize the Selectmen to make four annual payments of Fifty Thousand Dollars (\$50,000.00) plus interest starting in 2006. The Selectmen recommend this appropriation, and it is included in the posted budget. (2/3 ballot vote required)
- ARTICLE 5:** To see if the Town will vote to raise and appropriate the sum of Fifty Thousand Dollars (\$50,000.00) for the existing Capital Reserve Fund created in Article 9 at the 2000 Town Meeting for the purpose of Purchase of Property and/or Easements. The Selectmen recommend this appropriation, and it is included in the posted operating budget. (Majority vote required)
- ARTICLE 6:** To see if the Town will vote to raise and appropriate the sum of Five Thousand Dollars (\$5,000.00) for the existing Capital Reserve Fund established in Article 9 at the 2002 Town Meeting for a Library Building Fund. The Selectmen recommend this appropriation and it is included in the posted operating budget. (Majority vote required.)
- ARTICLE 7:** To see if the Town will vote to raise and appropriate the sum of Twenty Thousand Dollars (\$20,000.00) for the existing Capital Reserve Fund that was established in Article 8 at the 1994 Town Meeting for the purchase of a Fire Truck. The Selectmen recommend this appropriation and it is included in the posted operating budget. (Majority vote required)
- ARTICLE 8:** To see if the Town will vote to raise and appropriate the sum of One Hundred Thousand Dollars (\$100,000.00) for the existing Capital Reserve Fund established in Article 6 of the 2004 Town Meeting for the purpose of a Town Hall Expansion Fund. The Selectmen recommend this appropriation, and it is included in the posted operating budget. (Majority vote required)
- ARTICLE 9:** To see if the Town will vote to authorize the Selectmen to expend up to Two Hundred and Fifty Thousand dollars (\$250,000.00) for the expansion of the existing Town Hall and to further authorize the Selectmen to withdraw One Hundred and fifty Thousand Dollars (\$150,000.00) from the Capital Reserve Fund established for this purpose and expend Fifty Thousand Dollars (\$50,000.00) from surplus funds and to borrow not more than Fifty Thousand Dollars (\$50,000.00) for this purpose. The Selectmen recommend

- ARTICLE 10:** To see what action the Town will take on the proposed Budget for the current year. The Board of Selectmen recommend this budget. (Majority vote required)
- ARTICLE 11:** To see if the Town will authorize the Fire Department to go to the aid of another city, town, village or fire district, within or without the state, for the purpose of extinguishing a fire, rendering other emergency assistance, or performing any detail as requested, and to allow the Fire Department to receive aid from other towns, and to further authorize the Fire Chief to execute a mutual aid agreement with the fire departments of other municipalities pursuant to NH RSA 154:24-30.
- ARTICLE 12:** To see if the Town will vote the retention of the unexpended portion of the 2005 Conservation Commission appropriation, said monies to be placed in the Madbury Conservation Fund.
- ARTICLE 13:** To hear the reports of any Committees, Town Boards, and/or Commissions, and act on any motion thereto.
- ARTICLE 14:** To transact any other business that may legally come before the meeting.

Given under our hands and seal the 11th day of February in the year of our Lord, Two Thousand and Five.

Bruce E. Hodsdon
Joseph B. Moriarty
Joan H. Sundberg
Board of Selectmen, Town of Madbury, NH

We certify that on the 11th day of February, in the year of our Lord, Two Thousand and Five, we posted a copy of the warrant at the Town Hall, Safety Complex, and the Town Clerk's Office, being three public places in the Town of Madbury, as required by law.

Bruce E. Hodsdon
Joseph B. Moriarty
Joan H. Sundberg
Board of Selectmen, Town of Madbury, NH

Strafford County, SS Town of Madbury and the State of New Hampshire. Personally appeared before me, the above mentioned Selectmen and took oath to the above statement.

Pamela A. Seaver, Town Clerk
Town of Madbury, New Hampshire

Building Inspector

MADBURY PLANNING BOARD

During this year the Madbury Planning Board dealt with many fewer multiple lot subdivisions than in the previous three years. The major subdivision that was approved was the *Village at Hoyt's Pond* project. The project was reviewed, analyzed and approved by most of the Boards and Committees in Madbury, reaching favorable terms in each case, before the Planning Board finally approved the project. As a result the Town now owns a significant number of acres which will be preserved in their natural state for future generations.

Other work by the Planning Board included study and research work on the issues of Special Exceptions and potential modifications to the Cluster Development Ordinance (to be called the Open Space Ordinance if changed).

This was a year in which Home Occupation applications were among the most popular applications to be reviewed. All that were presented approved except for one which was withdrawn by the applicant.

The Planning Board has worked hard and tirelessly for another year, for which I, as Chairman, am most grateful. All members, including the alternate members, have served the Town with outstanding and conscientious service.

Don Sylvester, Chair

**ZONING BOARD OF ADJUSTMENT
ACITIVITIES FOR 2004**

The following is a summary of the number of cases brought before the zoning board of adjustment.

Special Exceptions	4	3	1	
Variances	4	2	1	1
Motions for Rehearing	4	2	2	

Respectfully submitted,
William R. Leslie,
Clerk

MADBURY LIBRARY ANNUAL REPORT 2004

The Madbury Public Library (MPL) is out of its toddler stage. Due to the efforts of volunteers, the contributions of donors, and the support of our taxpayers, we now offer a wide range of programs and events for children and adults, in clean, comfortable, and accessible surroundings.

A Growing Library

The library continued to thrive in 2004: visits increased 40% over the same month in 2003. 152 library cards were issued, bringing the total to 348. Over 3,500 books, audios and magazines (1,303 adult/2,264 children) were checked out over the course of the year. 375 books were requested through the statewide Interlibrary Loan program, and MPL sent over 120 items out to other libraries. Finally, the computers received through the 2003 Gates Foundation Grant are used daily for personal and genealogical research, games, communication, and more.

We added over 1,400 items to the library collection, bringing the total number of books, audio books, DVD's and magazines to 6,475. The collection is valued at over \$90,000, over 75% of which was acquired through in-kind donations from the community.

Library Director Kristin Cooper Rainey, now in her second year at MPL, has created a welcoming atmosphere and continues to give shape to the role of the library in our community. She considers the two greatest accomplishments of 2004 to be the implementation of Follett, our library automation software, and the success of our first Summer Reading Program.

Highlights

Graciously funded by FOML, the Follett library automation software helps patrons search for what they need. It has also expedited managing the collection and processing checkouts, renewals, and holds. Most of the library collection has now been entered into the Follett System, thanks to the dedication and talent of Elizabeth Burbank. In 2005 patrons will have access to this system from home, and will be able to search the collection, check account information, and even put books on hold. Bring your card in to have it updated with a new, computerized bar code.

One of the two summer highlights was our first Summer Reading Program. The theme, Check Out a Hero, led to exciting programs, and strong participation made it a great success. In addition, the Summer Writing Camp was organized in memory of Robert Conners, a local educator and advocate for poetry. Under the skilled guidance of Susan O'Byrne, children created wonderful poetry illustrated by beautiful, vivid paintings. Both programs are scheduled to return in 2005.

Programs & Events

Several on-going programs continued this year. The library's weekly storytime was well attended and continues to be supported by a group of dedicated

volunteers. The evening adult book group continues to grow and at the request of our patrons a daytime book group has now been formed. For middle schoolers, a book group called Madbury Middlers is just getting up to speed. Liz Burbank, with her knowledge and love of Young Adult fiction, is excited about facilitating this newest of our book groups. The Chess club, run by Madbury resident John Laaman as a continuation of his Eagle Scout project, was another on-going program in 2004.

Our community-wide reading program, Read Around Madbury, was enjoyed by adults and children alike, and culminated in a discussion of *Frindle*, by Andrew Clements, at the annual Town Pot Luck Dinner in April. the "Happy Birthday Dr. Seuss" storytime and celebration, and wildly successful Halloween Party also appealed across age groups.

Buildings & Grounds

Thanks to much labor by many volunteers, a small, dark room in the basement has been given paint, lighting, carpet, tables and chairs. This project was funded by donations to FOML, in particular those honoring Lorraine Morong's entry into her ninth decade. Special thanks also go to Jay Moriarty and Mike Childs for installing new lighting and upgrading the switches throughout the basement.

Additional changes to the buildings and grounds included railing and rear deck for the access ramp, seamless gutters, and the flagpole. Skilled volunteers made most of these improvements a reality. As always we have been able to rely on Ken Wolcott to keep this building running, doing everything from design work to shoveling snow.

Thanks, yet again, to the efforts of volunteers, most notably Noreen Gaetjens and

Bill Isaacson, the library now sports beautiful shrubs, trees, and flowers. Keep your eyes on the area around the parking lot for an explosion of color in 2005.

Volunteers and Donors

Basic service is simply being able to open for regular library hours; weekly hours worked by volunteers Suzie Noronha, Edna O' Sullivan, and Peg Wolcott, make it possible to provide a fuller staff and consistent service for those hours. Eric Fiegenbaum, who maintains, updates, and troubleshoots the library's computer systems, has continued to lend his valuable expertise and support. Without the 30+ volunteers who tirelessly cover books, conduct shelf inventories, assist with events & programs, read to children, and do much more, the library simply would not be able to provide the current service level. Donations from the community have allowed for programs and amenities which otherwise would be beyond our reach. Thank you to all who gave time and money toward making the MPL a vibrant reality! We have tried to share this good fortune by sending surplus children's books to a school in Delhi, India. This contact also spawned a pen-pal program with the students of that school. We were able to share some of our books with the organizers of the Winter Solstice celebration, and to donate some books to the Middle School for a special project as well.

Trustees

In 2004 Joan Valentine, first Chairperson of Madbury's Library Trustee Board, was replaced by Peg Wolcott. Craig Seaver and Mayme Trumble continued to serve as Trustees, with Jill Leavenworth replacing Peg Wolcott as Alternate.

Madbury Library is open 30 hours a week. Library hours are Monday and Wednesday 10-8; Thursday 10-4; and Saturday 10-2. The MPL website with additional information can be found at www.madburylibrary.org.

"Just a quick note to let you know how much [we] enjoyed the end of summer celebration today. Thanks again for all your hard work. We've been inspired as a family to read together more often."

Molly Hodgson Smith

"I can't thank you enough for what you have helped to do. Slowly and steadily these [middle school] children [in India] are discovering the joys of reading. Every day about 40-50 students come to the room to pick out books to read."

Snehla

"I just wanted to tell you how much my girls and I enjoyed the Rescue Dog presentation. It was extremely interesting and informative. Even I learned a lot! What a service to the community those dogs and their trainers are."

Carrie Ayer

"Based on everything I can see and neighborhood gossip, you are doing a wonderful job with our library. It appears to be a veritable beehive of activity, which is as it should be."

Tom Powell

MADBURY CONSERVATION COMMISSION ANNUAL REPORT 2004

New Hampshire statute authorizes the establishment of a conservation commission as an advisory body "...for the proper utilization and protection of the natural resources and for the protection of watershed resources". The Madbury Conservation Commission (MCC) has pursued these goals in variety of ways over the past year. Through education, review and monitoring, information gathering, and land protection measures we have worked to protect Madbury's natural resources.

As with most complex multi-party agreements, our largest endeavor did not come to fruition in the 2004 calendar year. We did, however, spend much of the beginning of the year working with the Selectmen and NH Fish and Game to acquire Hoyt's Pond and a portion of land associated with it. At a public hearing, we voted to expend conservation funds to purchase this area for the Town. As we await the completion of the transaction, we are developing plans to both enjoy and protect its unique natural resources.

Many of the Commission members attended regional workshops, classes, and conferences. Two attended the annual Conference of the NH Assoc. of Conservation Commissions and soaked up an overwhelming amount of information from basic commissioner responsibilities to soils-based lot development. On protection of open space, we attended workshops and meetings at both regional and local levels. We received reports on wetland mitigation opportunities in Madbury, and on monitoring conducted by the Oyster River Watershed Association. At the 2004 Town Meeting and on Madbury Day we brought some of these issues to residents' attention. In March we sponsored a well-attended Conservation Easement and Estate Planning workshop.

In 2004, we reviewed four NHDES wetland applications for impacts to wetlands in Madbury. We conducted monitoring walks for the three LCIP properties in town. We are currently working on formalizing land selection criteria to guide us in ranking conservation opportunities.

As always, we encourage town residents to bring us their concerns, comments and ideas by letter, email, or attendance at our meetings. We meet on the fourth Monday of the month at 7:00 pm in the Town Hall.

Respectfully submitted,
Eric Fiegenbaum

Resident of Hoyt Pond

ANNUAL REPORT OF THE MADBURY FIRE DEPARTMENT 2004

The beginning of 2004 was a very busy continuation of 2003. We were getting used to the first winter in our new facility, as well as training on much new equipment. In November of 2003 we took delivery of our new Engine 1, which went into full service in January of 2004 after the membership had time to properly train on its operation. This was followed by the addition of ten new air-packs and 15 sets of new turn out gear which were purchased with a \$78K Federal grant, through the 2003 Federal Assistance to Fire Fighter Grant Program. These air-packs are state of the art and meet proposed standards that are due to take effect over the next few years. They replace eight packs of which the newest was purchased in 1988. They are much smaller and lighter than the older packs, and allow firefighters slightly longer working times due to operation at a higher bottle pressure.

In June we were informed that we had been awarded \$186K through the 2004 Federal Assistance to Fire Fighter Grant Program to purchase and equip a new tank truck. The town is required to pay ten percent of this cost (\$18,600). After receiving proposals from several manufacturers, we negotiated a contract with Kovatch Mobile Equipment in Nesquehoning, Pennsylvania to construct a 2000 gallon tanker with a 1000 gallon per minute pump, on an International chassis. The chassis has been received at the factory, and we can expect delivery of the completed truck sometime this spring. This is the same company which built both our Engine 1 (2004) and Engine 3 (1988). In addition to these two large grant awards, we also received new mobile radios for all of our apparatus through NH State Police, who received a federal grant to provide better interoperability between agencies throughout the state.

Over the course of 2004 we added many new members. They included Ryan Christenbury, Mike Eller, Jason Eno, Joe Groski, Janie Keith, Tim Kenny, Andrew Munger, Andrew Rohr, and Tom Vatisas. 2004 also saw members Tony Klok and Dan Potasnick move out of the area; we will miss them both. Tim Kennen, Ryan Christenbury, Mike Eller, and Gath Dickerman completed their NH FF1 certification. In addition to regular monthly training, the State of NH Fire Academy brought their SCBA training trailer to our station so that members could better train on our new air packs. Several of our members along with some Barrington firefighters attended a training weekend at the NH Fire Academy in Pembroke where they used the "burn building," which uses propane burners and artificial smoke to simulate structural fire conditions. They also went through the flashover simulator, which helps firefighters recognize the signs of this dangerous fire condition. In December we recognized Bill Brouse for five years of service, and John Lavoie was named Madbury Firefighter of the Year.

MADBURY POLICE DEPARTMENT ANNUAL REPORT for 2004

This year has been exciting for all of us at the Madbury Police Department. This was our first full year of service out of the new Public Safety Complex and I can not express the gratitude we have toward everyone who made it possible. This state of the art complex has become well known throughout New England. We have welcomed chiefs, building committees, planning boards, selectmen and other committee members interested in the layout and plans of our facility. In February, the Town hired Jason Lamontagne as Madbury's first full-time police officer. Jason is, in fact, the first full-time employee of the Town of Madbury. We also welcomed home Officer Chris Hamilton, who has been deployed to Iraq for the past two years. Officer Hamilton was stationed in Ramadi, Iraq as a member of the Army's 94th Military Police Company. There he trained over 5,000 Iraqi police officers in all aspects of law enforcement. The Police Department also received a number of grants, which enabled us to purchase much-needed equipment and supplies.

This year our officers were able to attend multiple training sessions. All of our officers have attended S.P.O.T.S. training which enables them to access the State Registry and acquire information about driving history, license status, warrant checks, missing persons and prior contact with police throughout the United States. We are looking forward to having S.P.O.T.S. terminals installed in our patrol vehicles which will greatly enhance our ability to locate wanted persons or stolen vehicles.

The Madbury Police Department currently has six officers patrolling the streets. Each officer brings vast training and experience to this agency. Here is a little information about each one of them.

Deputy Police Chief Jason Lamontagne began his career in law enforcement in 1995 with the Durham Police Department. There he worked as a patrolman, supervisor, detective, and sergeant. As a member of the Durham Police he became a Nationally Certified Drug Recognition Expert and a member of the regional Special Response Team (SWAT). Officer Lamontagne attended over one hundred and forty training sessions as a

member of the Durham Police Department. Beside being a member of the Bike Patrol, he served on the Training Committee, Joint Loss Safety Committee, as Liaison in the Adopt-A-Cop Program, a Trainer in the Citizens Police Academy, and Senior Adviser for the Explorer Post. In 2001 Jason left Durham and became a member of the Madbury Police Department. While serving for Madbury, he was a full-time deputy sheriff for the Strafford County sheriff's office. Here Jason has served as a patrolman, supervisor, sergeant and is now the deputy police chief.

Sergeant Paul Rowe began his career as a dispatcher in 1989 for the Dover Police Department. In 1991 he was hired as a patrol officer for the City of Dover. There he became a member of the Mountain Bike Patrol. Paul is currently employed by the Strafford County sheriff's office as a deputy sheriff. Paul was hired by the Madbury Police Department in 2003 and he currently serves as the department's Sergeant.

Officer Chad McGann was hired in 2003. Prior to becoming a patrolman for Madbury, he served as a Police Explorer in the Durham Explorer Post. As a member of the post, Chad led as a Captain. He has also worked for IPC International as a Security Guard and as an Auxiliary Officer for the New Hampshire Marine Patrol. Since Chad has become a member of the Madbury Police Department he has received training in Anti-Terrorism and alcohol abuse laws. He has also served as an agent for the New Hampshire Liquor Commission.

Officer Steven Lee currently serves for New Hampshire Liquor Enforcement as an Investigator. Steve came to the Madbury Police Department in 2004. He began his law enforcement career at UNH Police Department where he served as a Detective. Steven is a Nationally Certified Drug Recognition Expert. He has received multiple trainings in the field of narcotics and drug investigations. Steven is an instructor with the Tactical Baton and Pepper Spray. He is also a certified Adjunct Instructor for the New Hampshire Police Standards and Training Council. Steven coordinates and runs the majority of the part-time officer schools in New Hampshire.

Officer Chris Hamilton was completing the hiring process in 2002 when he was suddenly deployed to Iraq as a sergeant for the Army's 94th Military Police Reserves. Chris returned home in July of 2004 and was anxious to patrol the streets of Madbury. Chris began his career in 1997 with the Somersworth Police Department. Since that time, he has been deployed to El Salvador to protect a military installation during a humanitarian mission. He has also been deployed to Tuzla, Bosnia as a Military Police Officer on Eagle Base. There he served as the lead investigator in crimes involving military personnel. He has also spent time at Fort Polk, Louisiana as a base police officer. He recently returned from Iraq where he spent two years training Iraqi civilians to become police officers. Chris has received numerous awards and commendations from the the military. among them, Good Conduct Awards, Service Ribbons, Expeditionary Medals and National Defense Service Awards. Chris currently works at Pease Air National Guard Base as a State

Security Officer.

Officer William Brouse, as the department's officer, Bill brings a lot of experience and knowledge to the Town of Madbury. Bill is a Madbury resident and he has been a member of the Madbury Fire Department since 1999, where he currently holds the rank of Lieutenant. He works full-time for Birse's Property Management, a landscaping company out of Greenland. Besides these three jobs, Bill is a staff sergeant for the Air National Guard. In 2001 and 2002 he was deployed to Ali Al Salem Air Force Base in Kuwait. There he conducted firefighting duties with British and Kuwaiti forces under wartime conditions. For his service, Bill has received multiple awards and commendations including the National Defense Ribbon and the Southwest Asia Ribbon.

Secretary Marjorie Rawson began her duties as a Secretary in 1950 when she was hired by retired General Raymond Moses as the first Secretary for the New Hampshire Association of Architects. As a member of that agency she coordinated the efforts of five architectural firms who designed and developed Pease Air Force Base. After spending twenty years in the architectural profession, she was hired as the Town of Durham's first Secretary for the police department. Besides developing and implementing programs, Marjorie attended the Part-time Officers Academy and received her Part-time Police Officer Certification. She retired from the Durham Police Department after twenty-eight years of service. After retiring in 2000, she came to the Madbury Police Department. For more than fifty years Marjorie has been spreading good humor and friendship to citizens of New Hampshire. She is a lifelong resident of Stratham. Her unparalleled experience has bolstered the professionalism and degree of service this agency prides itself upon.

I would personally like to thank each member of my staff for making the experience of this past year positive and memorable. This agency is still growing. Every year we get busier than the last and we always seem to step up to every task. I believe that is a direct reflection of the caliber of each member of this agency.

I would like to thank the Board of Selectmen for their continued support. I would also like to thank the Madbury Fire Department for all of their assistance throughout the year. It is a pleasure serving alongside such a professional group of individuals. Lastly, I would like to thank the citizens of Madbury for your generosity and support.

Respectfully submitted,
George E. Taylor
Chief of Police

MADBURY CEMETERY TRUSTEES

The Madbury Memorial Park is becoming more beautiful each year. The Cemetery continues to develop and the Memorial Garden has begun to emerge. In 2004 the garden took shape under the direction of Master Gardener Noreen Gaetjens. Her goal and direction was to create a peaceful area for contemplation, which could also be a gathering place for services and memorials. In keeping with the circular nature of the cemetery Noreen designed a labyrinth garden as the focal point, surrounded by plantings which reflect the simple landscape of the area. With assistance from Carol Loughlin and many volunteer laborers, this vision has started to take shape. Completion is anticipated with budget funding in 2005.

The Madbury Cemetery and Memorial Garden benefited from generous contributions by individuals and businesses and seek to put all such donations to good and productive use. Volunteers are encouraged to join the beautification committee in the spring to complete of this project. Memorial donations of plants and shrubs are encouraged and always gratefully accepted.

The Trustees appreciate the community's support in making a place which gives peaceful rest to the dead and natural comfort to the living.

MADBURY WATER RESOURCES BOARD ANNUAL REPORT 2004

The Madbury Water Resources Board continues in its mission of stewardship of all water resources within the Town of Madbury for the benefit of its citizens and the environment. This stewardship includes the consideration of issues surrounding water quantity, water rights, and water usage and recognizes that these issues lead beyond town boundaries and require a vigilant understanding of regional relationships and concerns.

Two public hearing were held during the year regarding the New Hampshire Division of Environmental Services proposed changes to provisions for the protection of the Bellamy Reservoir. Both sessions were well attended and resulted in modifications in the original proposal.

Maps showing Hydric A and Hydric B soils in Madbury have been developed. In addition a map relating to well testing is being developed. This latter map will show where and when well testing has been done in town. In addition, it will identify the substances being looked for in these tests. This is a necessary first step in a plan to continue systematic testing of wells in town.

The Board with a representative of the Strafford Regional Planning Commission regarding the Madbury Protection Priorities for 2004. This is a list of areas in Madbury that need to be protected in order to maintain water quality in the region.

Recognizing the regional nature of water supplies, a member of the Board has been appointed to the Board of the Bellamy and Oyster River Watershed Protection Partnership (BORWPP). The stated purpose of this group is to educate communities, business and industry to manage for availability and sustainability of high quality water in the Bellamy and Oyster River watersheds.

Recently an effort has begun in cooperation with the Volunteer Fire Department to put the water system acquired from the Elliot Rose Company back into working order.

Meetings of the Water Resources Board are held on the last Tuesday of each month in the Town Hall beginning at 7:00 pm. Interested residents of Madbury are invited to attend and participate in the discussions.

Lastly, I want to offer my special thanks to all the members of the Board for their commitment to its goal and objectives. Their dedication is essential to any successes that are achieved. I appreciate their support.

Respectfully submitted,
Wallace C. Dunham, Chairman

REPORT OF TOWN FOREST FIRE WARDEN AND STATE FOREST RANGER

Your local Forest Fire Warden, Fire Department, and the State of New Hampshire Division of Forests and Lands cooperate to reduce the risk of wildland fires in New Hampshire. To help us assist you, contact your local Forest Fire Warden or Fire Department to find out if a permit is required before doing ANY outside burning. A fire permit is required for all outside burning unless the ground is completely covered with snow. The New Hampshire Department of Environmental Services also prohibits the open burning of household waste. Citizens are encouraged to contact the local fire department or DES at 1-800-498-6868 or www.des.state.nh.us for more information. Safe open burning requires diligence and responsibility. Help us to protect New Hampshire's forest resources. For more information contact the Division of Forests & Lands (603) 271-2217, or online at www.nhdf.org.

This last year was fairly wet throughout the spring and summer months, however we finished the season with an active fall fire season. In order to meet an increased demand for services, the Forest Protection Bureau was reorganized into three regions with smaller Forest Ranger Districts and over the last several years we have added two Forest Rangers. The fifteen state fire towers were the first to report on many fires throughout the state and they completed many other projects on the low fire danger days. The state implemented a program called Tower Quest to help citizens learn about fire towers and the need to protect New Hampshire's forest resources. The United States celebrated Smokey Bear's 60th birthday in 2004, and celebrations were held throughout the state. Please help Smokey Bear, your local fire department and the state's Forest Rangers by being fire smart and fire safe!

2003 FIRE STATISTICS

(All Fires Reported thru November 8, 2004)

	Total Fires	Total Acres	Causes of Fires Reported	
2004	462	147	Arson	15
2003	374	100	Campfire	41

			Debris	201
			Railroad	1
			Equipment	5
			Lightning	5
			Misc. *	163
(*Misc.: power lines, fireworks, electric fences, etc.)				

ONLY YOU CAN PREVENT WILDLAND FIRE

STRAFFORD REGIONAL PLANNING COMMISSION

Strafford Regional Planning Commission (SRPC), a political subdivision of the State of New Hampshire, serves in an advisory role to its eighteen member communities located in the northern coastal zone. We provide professional services to officials, boards, commissions, and committees to promote coordinated planning, efficient land use, and managed growth. SRPC has focused on the implementation of a sustainable development planning strategy for the region, integrating economic vitality, community well being, and natural resource management to ensure a better quality of life now and for future generations. Using these tenets, community decision-makers can seek a long term balancing of various community needs.

For the current fiscal year, (FY 2005), 68% of the dues will be used as a local match to secure grants from state and federal programs for use in the region. For every dollar of municipal dues, six dollars will be leveraged in external funding. These grants will enable the Commission to complete local and regional planning projects related to transportation and transit infrastructure, preparation of hazard mitigation plans, warrant article language on flood insurance, model ordinances for open space protection access management, community design and appearance, and three *How To Guides* on land use regulation and design. Additionally, the Commission received a grant award of \$62,500 in state and local funds for the first phase of a Corridor Study along Route 125. Commission staff regularly assists communities in securing funding from foundations and other sources.

We look forward to another dynamic year as staff works with your community to administer projects, draft modular ordinances, build databases and maps, and facilitate meetings. Thank you for your continued support and participation in your Commission.

Thomas R. Fargo
Chairman

STRAFFORD COUNTY COMMUNITY ACTION COMMITTEE, INC.

AMERICAN RED CROSS
Great Bay Chapter

Thank you for your municipal support to the Great Bay Chapter of the American Red Cross. We are honored to be able to serve the residents of Madbury.

The Great Bay Chapter of the American Red Cross relies on the generosity of the towns we serve to help fund our mission. We are proud to be able to provide the Madbury community with Disaster Relief, Blood Services, Health, Safety, & Community Services, and Armed Forces Emergency Services. Without your support the Red Cross would not exist. Our hope is to continue this partnership, because, **together, we can save a life.**

Sarah Cherne
Executive Director
